Balance Before Top-Up

The screenshot displays the Tusass Mobile app interface. On the left is a sidebar menu with options: Accounts, Contacts, and Tags. The main content area is titled 'Tusass Mobil - Data10GB'. It is divided into three columns: Service, Usage, and Contact. The Service column lists details like External ID, Phone, ICC, IMSI, eSIM, PIN/PUK, Status, Activated, and Links. The Usage column shows Data used, RELH Data, Extra Data, Balance, Throttled, Auto-refill, and Payment card. The Contact column provides Name, Phone, Email, Language, and RC Exemption details. Below these columns is a 'Note' section with the text 'test QA'. At the bottom, there are links for 'Operations' and 'Payments'.

Payment Receipt

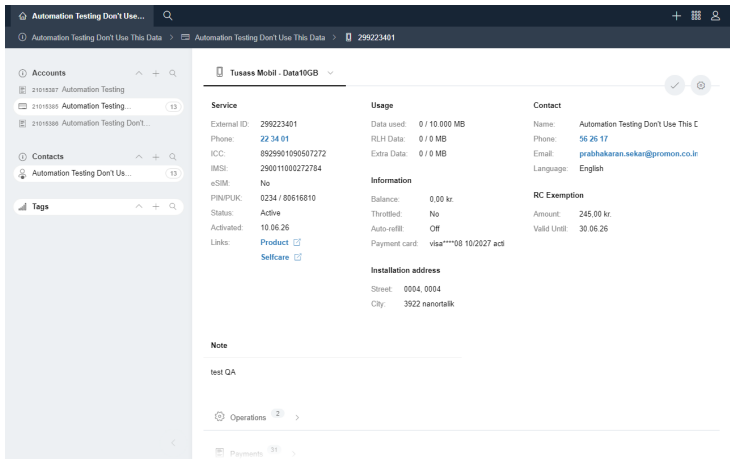

The screenshot shows a payment receipt screen in the Tusass Mobile app. At the top left is the 'tusass' logo. In the center, the text 'Receipt Amount:' is displayed above '50,00 kr.'. Below this, a message states: 'Your refill to Tusass has succeed. You can always visit Tusass.gl to refill whenever needed'. At the bottom, there is a dark button labeled 'Enter your Tusass'.

Balance After Top-Up

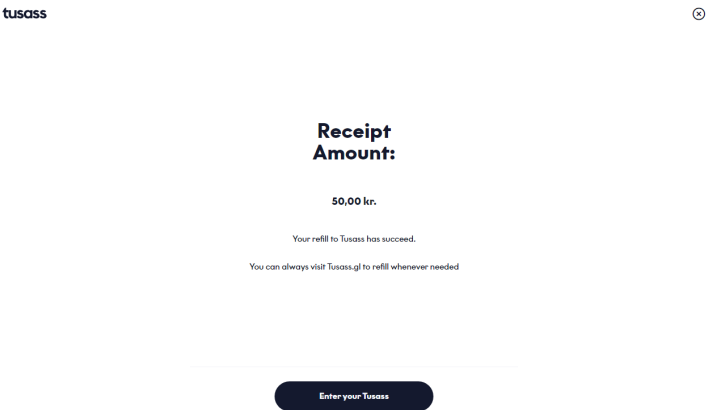

This screenshot shows the Tusass Mobile app interface after a top-up. The layout is similar to the previous screenshot, but the 'Usage' column now shows a balance of '0.00 kr.' instead of '0.00 kr.' (likely a typo in the original image). The 'Service' column remains the same. The 'Contact' column is also present. The 'Note' section still contains 'test QA'. The 'Operations' and 'Payments' links are at the bottom.
